RESALE AND CONSIGNMENT GUIDELINES

It's quite simple really...

Sort through your recently outgrown clothing: Children, Teen, Women, Maternity and Men's Casual

Please note: We only accept **brand new** newborn clothing (**0-12m**) and we do not accept any men's or women's suits.

Ask yourself if you yourself would buy this item in a resale shop?

- Look for stains, missing buttons, broken zippers, too much fading or pilling, outdated...leave these items home.
- Match-up any outfits fold them neatly after freshly laundering them.
- You may bring in one container with up to 25 pieces per drop-off (i.e. something stackable - NO bags). *Please note: this MUST be a stackable container (box, bin, laundry hamper, etc.) we will sort through your items while you wait and return the items not chosen in the container you bring them in.*

Reselling has been made as uncomplicated as possible. We have this down to a fine art and you can generally be in and out in half an hour.

When sorting through your items our "x-ray vision" (ok, maybe it's the fluorescent lighting!) will undoubtedly detect flaws that you will not see at home. Keep this in mind! Even the most careful scrutinizer (including us!) will miss a spot or two. Our selection process is based solely on the buying trends of our customers.

Expect about 1/3 of your items to be selected on average. So, don't stress yourself out needlessly - use your best judgment.

The best times to bring in your items are well in advance of the season - end of May (for Fall/Winter) and end of November (for Spring/Summer).
